Senior Collage 2023 Instructions

Memory Lane Senior Collages are a wonderful part of the **Senior Brunch** and **Books & Burritos** events. These collages, highlighting your senior's life, are prepared by you, the families of the graduating seniors. Collages can be a joint project with your senior or can be prepared as a surprise for your student. Pictures can be of anything you like (e.g., baby, childhood, high school, sports, family, hobbies, etc.) You can choose to cover the paper entirely or leave space in between photos. This is completely up to you. You can include your student's name on the front of the collage or not. Whatever you like. See an example below. Be creative and have fun!

EXAMPLE:

1. Use 11x17" paper in **PORTRAIT orientation** (You may pick up paper in the CVCHS Office, if you do not have your own, or use two pieces of 8 ½ x 11" paper.)
2. Affix photos/artwork to the 11x17" paper to create your own unique and meaningful display. You may also create it digitally, print it (at Walgreens, CVS, etc.), and then have it laminated.
3. Take your finished collage to be laminated to:

UPS Store
5100-B1 Clayton Rd.
Concord, CA 94521
(Vineyard Shopping Center, near Lucky)

4. UPS Store will make a color COPY of your collage, and then LAMINATE that copy.
5. You will keep the original.
6. **UPS will charge you approximately \$12.00** for copy and lamination.
7. The UPS Store will keep the laminated collage and the Senior Activity Committee will collect them from the UPS Store.
8. Print your senior's name, phone number, and email on the **BACK** of the photocopy to be laminated. Seniors may take home their laminated collage after the *Books & Burritos* event.
