

Memory Lane - Senior Collage 2024 Instructions

Memory Lane Senior Collages are a wonderful part of the senior events. In short, the collages are a photo snapshot of your senior's life. Some families chose to create these with the help of their senior, others chose to make them a surprise.

Pictures can be of anything you like (e.g., baby, childhood, high school, sports, family, hobbies, etc.) You can choose to cover the paper entirely or leave space in between photos - this is completely up to you. You can include your student's name or let the images speak for themselves Be creative and have fun (have some tissue handy!). **Please be sure to follow the instructions below when creating your collage and note you need to get the collage laminated).**

Please contact Jaqueline Messer at jacqueline.s.messer@gmail.com with any questions.
